- with FWF frame		9-18		
Wavo 1-2-3		9-36		
Wavo Kind			15-36	

All Superb cars already have an excellent safety fit out from the factory. However, if you want to provide maximum safety to the smallest passengers, you have to choose a quality and size-fitting child safety seat. We have prepared a wide offer of child seats for children up to 36 kg. You can be sure all the original Škoda child safety seats underwent demanding tests and simulations with excellent results and, therefore, they provide maximum safety and excellent comfort. Their colour design is attractive, the weight of the child seats is low and they are easily mountable (each Superb has the Isofix system fixing points on both rear side seats). The Škoda Genuine Accessories also include options for the security of your car (alarm or mechanical drive locking system) and other options related with security and safety (rear parking assistant, snow chains, tow rope, fire extinguisher and many others).

1. Baby One Plus child seat (DDF 000 005X)*
2. ISOFIX G 0/1 child seat (DDF 000 001X) with RWF frame for rear-facing fitting (DDF 000 003A)
3. ISOFIX G 0/1 child seat (DDF 000 001X) with FWF frame for forward-facing fitting (DDF 000 002)
4. ISOFIX G 0/1 child seat with FWF frame (see order number above) and headrest (DDF 000 000Z)

5. Wavo 1-2-3 child seat (DDF 000 006)
6. Wavo Kind child seat (DDF 000 007)

All original Škoda child safety seats successfully passed very demanding tests. The ISOFIX G 0/1 child seat received four stars out of five available during the Euro NCAP crash test of Superb, which is the highest current value attained.

* Available in the 4th quarter of 2008.
The X in the order code differs depending on the country of the child seat sale.
